G. Rothnie Chief of Police, who gave her away, and was attended by Miss M. Stephenson daintily attired in cream satin merle trimmed with cluny lace and black picture hat with willow plume and carrying a bouquet of pink carnations, Mr. Hurst supported the groom as best man.

Creek Stops Traffic.

A delegation of ratepayers living beyond Peterson Creek was present asking for a temporary bridge over Peterson Creek, on St. Paul or Battle St. in order to give easy access to the city. At the present time the water was very high and ladies and children especially, had much difficulty in getting across and into the city unless they went a long way round over Columbia St. The council expressed themselves as being in favor of affording the accommodation asked for and the matter was left in the hands of the street committee with power to act.

Ald. Burton on behalf of the Rev. C. Ladner asked for the use of the big room in the old Court House for a free reading room. the present reading room being now utilized by the city engineer He also recommended the painting of the city offices; the several requests were granted.
